

## SPAY & NEUTER LOAN PROGRAM

The Oregon Humane Society is a non-profit organization committed to animal care and protection since 1868.

We are funded solely through private donations. This interest free loan program was established to help families defray the initial cost of altering their pets.

### HOW IT WORKS

1. Fill out loan application in this brochure.
2. Drop off or mail in application to the Oregon Humane Society.
3. You will be notified by telephone or mail of our decision on your application.
4. If approved you will receive a certificate good for up to \$50 towards altering your pet. In certain circumstances we may be able to give more. You are responsible for the remainder of the cost and finding a veterinarian to perform the surgery.
5. The continuation of this program depends on you. The repayment of each loan allows OHS to approve the next loan.
