NAMING OPPORTUNITY - Details

Contest (South) Stage

The south end of Waterfront Park is anchored by the Contest Stage. A myriad of fun activities will keep attendees spellbound and entertained. Contests include Silly Pet Tricks, Musical Dogs (like Musical Chairs), Best Singing Duo, Cutest Ugliest Dog and much much more.

Pancake Breakfast Pavilion

To reward the devoted animal lovers for coming down to Waterfront Park on a early Saturday morning and for raising money for OHS, Dashers can partake in a yummy pancake breakfast!

Pet Performance Arena

At the center of all the action, the Pet Performance Arena offers both spectator sports and interactive activities for pet owners and their dogs. Watch the amazing feats of Border Collie International and Free Style Dancing, and learn to do the above activities with your pet.

Finish Line

As they cross the “balloon-arched” Finish Line, every single human and dog will see your brand on the custom made banner with your company logo! You can greet them with a big smile and a hardy congratulations, and/or a special gift or product sample.

The Photo Booth

It's a Doggie Dash tradition! Everyone wants photos of themselves and their pets. OHS provides all photographers, props, stage sets, and the photographic developing services. The Photo Booth will be centrally located to receive maximum visibility.

The Mysteries of Dog Behavior

You may be psychic 😊, but other pet owners have lots of questions about “Why does Sparky do this or that?” Booth is staffed by members of the OHS Behavior and Training Department. OHS provides copy/content for “Tanya’s Top Ten Tips” handouts which sponsor can print with company logo. (Tanya Roberts heads up OHS’s Behavior and Training Department.)

Traveling with Fido

It's a skyrocketing trend in the travel/tourism industry. More and more hotels/motels are now pet friendly. People often buy a particular car or RV for travel with their pet's needs and comfort in mind.

FOOD AND BEVERAGE SPONSORS/VENDORS

Nothing says festive like food and beverage.

There are three ways to partner with OHS:

1. Sell food and/or beverage to Doggie Dash participants and donate a percentage of sales to OHS. Although quantities consumed are not guaranteed, businesses are encouraged to provide a minimum of 500 servings. Vendors must provide signage which states the percentage to be donated; it is not sufficient to state "a percentage of sales will be donated to OHS".
2. Offer food or beverage for a donation with by all donations going to OHS.
3. Use Doggie Dash to debut or promote your product. Pay a \$1,000 fee to distribute free samples of your product. OHS volunteers are available to distribute your product. OHS Volunteers will wear OHS logowear.
4. OHS will not provide tent/canopy. Tents/canopies can be rented from OHS at cost.

All food vendors are required to secure appropriate permits and licenses.

All sponsors/vendors will have opportunities for banner placement on their booth/space.

With a guaranteed minimum donation of \$500, one 10" x 10" canopy and a table with two chairs will be provided free of charge. Documentation stating the guaranteed minimum donation must be received by OHS Corporate Relations Manager by April 23, 2010. Vendors will receive recognition based on retail value of their guaranteed minimum donation.
