2010 LARGE DOG WINNER

RHETT

Rhett is an 8-year-old Black & Tan Coonhound

A dog's life should be filled with: Overstuffed dog beds, lots of unique smells to chase around with my nose, and plenty of howling...I mean "singing"! Oh, yeah, don't forget the drool!

My style is: Low and Lazy! My ears hang low. My lips hang low. And you can always find me low to the ground, having a nice snooze!

My Best Feature: My bid ol' southern hound dog lips.

My Motto about Life is: I ain't nothing but a hound dog!

I should be Portland's Next Top Dog Model because:

I am an OHS alumni, and was actually part of the "Great Eight" at OHS (the eight dogs who have been at the shelter the longest). I was there for about 6 months. I shared my kennel during most of my stay there, since I am such a southern gentleman. I am now with my "forever" family and have overcome my chronic ear infections and food allergies. I hope being Top Dog will allow me to represent other under dogs (like myself) that they have a chance!
