

PORTLAND'S NEXT   
TopDog Model Search  
A BENEFIT FOR THE OREGON HUMANE SOCIETY

2010 SMALL DOG  
**WINNER**

**TIGGER**

Tigger is a 10-year-old Pomeranian

**A dog's life should be filled with:** Rides in the car, long walks with Mom and Dad in my stroller, mini ice cream cones, and watching Animal Planet.

**My style is:** Teddy Bear chic!

**My Best Feature:** My face – not to be conceited but I am rather good looking and have kept my “boyish” good looks in spite of my age. People always mistake me for a puppy...or an Ewok.

**My Motto about Life is:** Eat, Drink, & be Hairy

**I should be Portland's Next Top Dog Model because:**

It is on my bucket list. I have congestive heart failure and this could be my last year. I am hoping this year I have a chance to prove to everyone that I would make the best top dog model ever!
