

DOGGIE DASH DONATION FORM

To ensure that all your gifts are confirmed before the run/walk and are counted towards the top three fundraising individual prizes and top three team prizes, please make sure any cash or check donations are turned into the OHS shelter with this form at least two days prior to the event. Donations can be received via mail or in-person, but must arrive prior to two days before the event to count towards the top three fundraising prizes. Donations collected after that date will continue to count towards individual fundraising gift levels and can be brought to the shelter or the event with this form. To ensure the safety of your donations, we do not advise sending cash in the mail.
