## We Need Your Support More than Ever

2022 was a big year for OHS. We merged with Willamette Humane Society in Salem, expanding our programs and services through the mid-Valley. We opened a Community Veterinary Hospital next door to the shelter on Columbia Blvd, providing access to quality care for all pet owners.

This tremendous growth and transition for the organization occurred all while we serving the community and operating our growing campuses without pause. We helped with the rescue of 4,000 beagles from across the country. We took in 48 malamutes and 100 cats within the same 24 hours.

None of what we accomplished this past year would have been possible without the support of our community. And we can't continue our work into 2023 and beyond without your help.

Your partnership as a sponsor of the Diamond Collar Awards will enable OHS to sustain the work of our newly expanded operations, having even greater impact in the community.
