

# Tail Wag

Creating a More Humane Society

**Saturday, July 22**  
**Oregon Humane Society Portland Campus**

An enchanting garden party celebrating the connection between pets and people, Tail Wag is the most unique and heartwarming gala in Portland.

Attendees will learn about the important, lifesaving work that OHS provides within the community through our adoptions, medical services, resource center, humane education, and training programs.

Your company's sponsorship of Tail Wag ensures that OHS can continue to help animals in need, serve the community, and make historic strides in the world of animal welfare.
