

The Animal Shelter Alliance of Portland (ASAP) is a coalition of the greater Portland area's leading animal welfare organizations and the veterinary medical community. Our mission states: *Working together, we develop and sustain metro-wide programs and services that reduce the number of homeless cats and dogs, and save the lives of all shelter pets that can be humanely and responsibly re-homed*. ASAP has adopted the language of the Asilomar Accords to standardize the collection and reporting of shelter data.
