

CANINES UNCORKED – Wine tasting with your furry friend

17 participating wineries

Saturday August 5, 2017

11am – 4pm

A select group of **17 Oregon wineries** invite **wine lovers** – and their pooches – to enjoy the most unusual wine event of the year. The seventh annual Canines Uncorked wine tour is extra special because for one day a year, dogs are invited to join their humans for a day's outing.

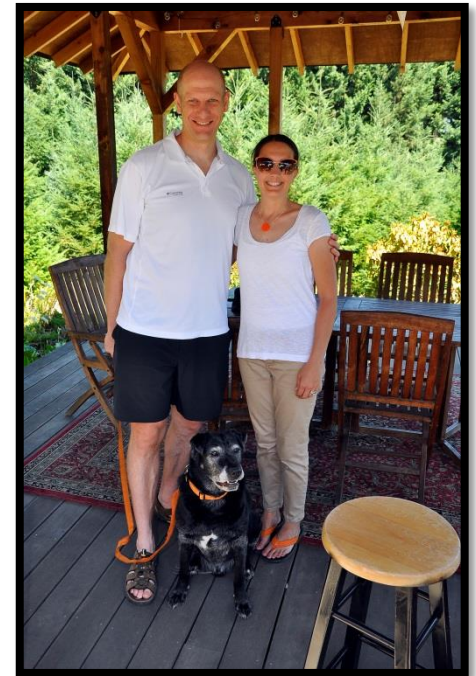

On Canines Uncorked Day, your "Licenses to Taste" passport includes free tastings and dog activities at each winery. All wineries are located in the North Willamette Valley, one of Oregon's premier wine-growing regions.

Your passport and map makes it easy to enjoy a **leisurely afternoon of visiting beautiful vineyards** with your best friend, gaining you access to complimentary tastings at each winery as well as two tasting cards to use after the event.

This event is advertised and marketed through OHS social media platforms, printed materials, the OHS Pet Dish e-newsletter (with 110,000 opt-in subscribers), and an annual press release. This event sees approximately 400 participants.

Tickets are \$40 in advance or \$50 day of.
