Use the following language within your will, trust, or other estate papers to direct a planned gift to the Oregon Humane Society and provide for the welfare of your surviving pets.

This suggested language can be modified to meet your specific needs or situation.

If you make provisions for OHS to care for your surviving pets, we do encourage you to share this information with the OHS Vice President for Development, Gary Kish at (503) 416-2988.

THE OREGON HUMANE SOCIETY *Friends Forever* PROGRAM (Care of Surviving Pets)

I wish to provide for the care and welfare of any and all pets that I own at the time of my death. It is my desire that they live the balance of their lives in a stable home environment. Accordingly, I give, devise, and bequeath my pets to my spouse. If my spouse does not survive me:

- A.** I give, devise, and bequeath my pets to The Oregon Humane Society, a nonpro it corporation (the "Society") 1067 NE Columbia Boulevard, Portland, Oregon, EIN 93-0386880, to be received by the Society under the auspices of its Friends Forever program.

- B.** In gratitude for caring for my pets, and to support the Society's programs and services I devise, and bequeath {description of bequest} _____ to the society to be used for its general operations, or as so designated by its board of trustees.

- C.** I request that the Society arrange for the permanent placement of my pets with a member of my family or a family friend. If the Society is unable to do so, I request that it arrange for such placement in a suitable home through the Society's pet adoption program. I understand, however, that adoption may be precluded if a pet is seriously ill or injured, has a vicious temperament, or for any other reason would be a danger to an adopter or the public.

- D.** In any event, I request that my pets be cared for and treated as household pets and receive all reasonable care; provided, however, that, in the event of serious illness or injury, I do not desire that extraordinary means be used to prolong their lives; and provided further that the Society may euthanize any pet determined by the Society in its sole and absolute discretion to be seriously ill or injured, to have a vicious temperament, or to be a danger to an adopter or the public for any other reason.
