Notices – Requirements at most clinics

- Appointment necessary.
- Coupon honored only at time animal is admitted.
- Some clinics require rabies vaccine and/or flea control - Please phone OSNF if fees pose hardship.

Important Messages

- The coupon program is intended for use in young healthy animals and uncomplicated surgeries. Some clinics may charge additional fees, require additional testing or procedures and/or decline to do surgery if animal is middle aged or older, in poor health or has atypical anatomy such as a retained testicle.
- If you find that charges are higher than stated, please contact OSNF. Other low cost options may be available in some areas. We really want to help you find the best option for your circumstances.

LIMITED CAPACITY NOTICE – Please read:

In general and at virtually all pet care facilities, the COVID pandemic has limited the capacity and availability of appointments and increased wait times. OS/NF remains grateful to all clinics which have participated in the low cost spay/neuter program. We love the providers caring for the health and well being of the pets you love.
